Spring 2024 Glass Recycling Pilot

Recycle glass bottles & jars at pilot drop-off locations!

Starting in Spring 2024, Mason Patriots can recycle glass bottles and jars at pilot drop-off trailers on the Fairfax Campus. If you have glass bottles and jars, there are two on-campus options for disposal or recycling:

GLASS TRAILERS

OR

TRASH

Please do not dispose of glass in regular 'Cans & Bottles' recycling bins – this will cause the entire recycling load to be thrown out due to contamination!

Trailer Locations:

Scan QR Code below for pilot glass drop off locations.
