# ZERO WASTE

## Glass Recycling Pilot Program

Recycle glass bottles & jars at pilot drop-off locations!

A purple sign for glass recycling. At the top left is a white recycling symbol. In the center, the word "GLASS" is written in large white letters above "VIDRIO" in smaller white letters. At the top right is a QR code with the text "MORE INFO" to its right. Below the text, there are images of various glass bottles and jars. To the left of these images is a red circle with a diagonal slash over a glass and a hand, indicating that broken glass is not accepted. To the right of the images is a small circular inset showing a purple trailer. Below the images, the text "BOTTLES & JARS ONLY" is written in white, followed by "SÓLO BOTELLAS Y FRASCOS" in white. To the right of the images, there is text in English and Spanish: "Take glass to purple trailers, or throw away in Trash." and "Lleva el vidrio a los remolques morados, o tirarlo a la Basura."

All Mason Patriots can recycle glass bottles and jars at drop-off trailers at the Fairfax Campus! Glass bottles and jars must be placed in glass trailers for recycling. Otherwise, all glass bottles and jars must be disposed of in the trash.

**GLASS TRAILERS**

**OR**

**TRASH**

Wheeled glass recycling bins are placed beside glass trailers for Mason Patriots who cannot easily access the trailers' side openings. Please do not dispose of glass in regular 'Cans & Bottles' recycling bins – this will cause the entire recycling load to be thrown out due to contamination!

### Trailer Locations:

Scan the QR Code below for drop-off recycling guidance.

|  |   |
|--|---|
| 1 <sup>st</sup> & 2 <sup>nd</sup> Weeks of the Month | A) Southside + B) Lot R ( <i>Near Potomac Heights</i> ) |
| 3 <sup>rd</sup> & 4 <sup>th</sup> Weeks of the Month | A) Rogers Hall + B) Student Townhouses                  |

*Note: Glass trailers change scheduled locations every other Saturday to support drop-off recycling access.*
