

PATRIOT PACKOUT RESULTS

DONATIONS RESULTS TREND

Note: in 2018 we started to track donation goods by type. See above for the ratios and see below for the types of goods donated.

TYPES OF GOODS & HELPING THOSE IN NEED

Since its start in 2011, Mason has donated over 85,000 lbs of items through Patriot Pack Out to local non-profits like Northern Virginia Family Services, Goodwill, The Salvation Army, AM Vets, Food for Others, and the Patriot Pantry. Donations are collected each May from students during Move Out and are coordinated, sorted, weighed, and delivered. This effort is led by Mason's Office of Sustainability and Housing & Residence Life, with the help of the Patriot Pantry, Parking & Transportation as well as student and community volunteers.

We are so appreciative for help from Housekeeping, Housing & Residence Life, and Facilities during this heavy lift, and to the students who donate! We saw over 2,100 lbs of food donated in 2019 alone, which went to those in need at the Patriot Pantry and Food for Others – addressing food security issues in our region. Other types of donations include (from left to right in the 2019 chart above) clothing, food, household items, appliances, furniture, books and even bikes (donate, don't abandon!).
